REASONS FOR AND BENEFITS OF THE SUBSCRIPTION AND USE OF PROCEEDS

As set out in the Company's announcement dated 10 June 2020, the Directors have considered various ways of raising additional funds for strengthening the Group's financial position and future use and they consider that the Subscription, similar to the Placing, is an appropriate means of raising additional capital for the Company since the capital base of the Company can be broadened at a relatively low cost compared to bank borrowings or issue of debt securities, and the cash position of the Group will be improved which then can help establishing and strengthening the existing and future business of the Group.

The Directors (including independent non-executive Directors) consider that the Subscription Agreements and transactions contemplated thereunder are on normal commercial terms determined after arm's length negotiations among the parties, fair and reasonable and in the interests of the Company and the Shareholders as whole.

INTENDED USE OF PROCEEDS

The gross proceeds from the Subscription will be approximately HK\$11.00 million. The net proceeds from the Subscription will be approximately HK\$10.97 million. The net Subscription Price per Subscription Share after deducting relevant fee and expenses is approximately HK\$0.221 per Share. The funds to be raised under the Subscription are intended to be used for general working capital.

FUND RAISING ACTIVITIES IN THE PAST 12 MONTHS

As set out in the Company's announcement dated 10 June 2020, the Company entered into the Placing Agreement with CNI Securities Group Limited (as placing agent) on 10 June 2020, pursuant to which agreed to place not more than 57,290,013 new Shares on best effort basis. As at the date of this announcement, the Placing is not completed and the Company has not received any proceeds from the Placing. It is expected that, if the Placing Shares are placed in full, the gross proceeds and the net proceeds from the Placing upon completion will be approximately HK\$11.57 million and HK\$10.98 million, respectively. The Company intended to apply the said proceeds for general working capital purpose.

Save for the aforesaid, the Company did not raise funds on any issue of equity securities raising activities during the past twelve months immediately preceding the date of this announcement.
